Thank you for taking the time to email this over.

It is extremely difficult to follow the rabbit holes of Mr. Hazelwood in this complaint and it seems the majority of his grievances are with other people/organizations. To our knowledge, we have disclosed all information required for our PAC in Tennessee and will certainly continue doing so.

As always, we are happy to answer any and all questions that the Registry has of us.

Thank you again,

Sydney

Thank you for your email.

We are in the process of moving offices and do not yet have a new permanent address.

If possible, please send the information to my email for review.
